Dear Photocharity Angel,

Over the past seven years, Photocharity has been able to raise over \$1,500,000 to save homeless youth due to the generosity of corporate sponsors and donors like you. With 2,000 homeless youth under 18 in San Diego, you have taken action to change this. Together as a team, we have truly made a difference by funding San Diego Youth & Community Services' Storefront emergency shelter and, most recently, long-term housing (Photocharity Angel Homes) for Storefront youth.

Yearly Photocharity funding has provided the following for the Storefront: breakfast for one year for all the youth, weekly anger management classes, after-school arts program three times per week, weekly music program, full-time independent living skills instructor and case manager, outreach director and maintenance worker (half-time salaries), fuel for the outreach van, one year supply of bus tokens, and placement and services for one youth in long-term housing.

Instead of our annual concert, this year we have decided to have a more intimate event with our top corporate and donor angels. Photocharity will present '**Celebration of Hope**', a **Gala Dinner-Auction to Save Homeless Youth** at Anthology on Sunday, November 16, 2008 at 5:30 p.m. We will be selling a limited number of tables of ten for this event, and anticipate it selling out quickly. Your support is vital to guarantee the continued success we are having with these youth.

Thank you for your continued support. Together, we are making a difference to *Save Homeless Youth*.

Peace & Love,

Jeffrey Sitcov, Founder
